

SL-N5 Self lay notification of completed service connection(s)

This form must be completed and returned to South West Water within five working days of making a service connection so that South West Water can arrange meter installation.

Any infrastructure charges that were not paid prior to connection are now due and should be sent with this notification.

This form should be either:

- emailed to DeveloperServicesSelfLay@southwestwater.co.uk
- posted to New Connections Team (Water) , South West Water, Peninsula House, Rydon Lane, Exeter EX2 7HR
